To: Victoria Chess Challenge Qualifiers

Re: 2011 BC Chess Challenge

Congratulations on your results at the Victoria Chess Challenge. You are qualified to compete in the provincial championships being held in Richmond on Saturday April 9, 2011.

Preregistration for the BC Chess Challenge is mandatory. See www.bcjuniorchess.com for details and registration. We recommend you stay overnight near the tournament site. If you are traveling in the day of the tournament make sure the organizers know you are coming and what your arrival time will be.

The provincial championship is a qualifier for the Canadian Chess Challenge being held in Victoria this year on May 22 and 23 at the University of Victoria. The top player in each grade in BC will be invited to join Team BC at the Canadian Chess Challenge at UVIC.

Other events will be taking place in Victoria before and after the Canadian Chess Challenge May 20 to 23 2011 and are open to all players all ages. Check www.victoriajuniorchess.com for details.

Good luck in your future chess tournaments and all your other pursuits.

Regards,

Brian Raymer braymer@telus.net
President, Victoria Junior Chess Society
